Hey Tyler,  
Here are a few pictures of the moduloc installation..  
Wellington is done .. Down Kent up to Vitoria.  
The crew were waiting on some moduloc to finish Vittoria up past the daycare road entrance..  
The crew on the Hill are working their way down by VSF..  
Maxime told me that he hopes to be done securing everything by 3pm today..  
They were still waiting on the pillars for the entrances..  
Let me know if you have any questions..
